

W. H. BRADY & CO. LTD.

W.H. Brady & Co. Ltd. commenced operations in 1895 and has been listed on the Bombay Stock Exchange for over 50 years. Founded with a mission to introduce and extend modern technology to all regions within India, the company now prides itself in playing a vital part in the changing landscapes of the country's infrastructure. The company's key areas of expertise are :

Aviation

- Exclusive representation of leading International Companies in India
- Project Management & Execution
- Engineering Support Services
- Software Support Services

Trading & Marketing

- Marketing Material Handling Equipments & Components
- Importing Engineering Products / Equipments.
- Marketing of Textile Machineries & Components

The company's strengths in Government Agency liaisons and its pan India presence have enabled it to become a leading player in the Aviation sector. We have successfully won tenders and executed projects for agencies such as Airports Authority of India, Delhi International Airport Ltd. and Mumbai International Airport Ltd. for our International Principals. Moreover, our accomplishments have equipped us in partnering with leading Aviation players from all over the world.

The Government of India is committed to building infrastructure to ensure that it meets its high GDP growth targets year on year. W.H. Brady & Co. Ltd. is poised to capture this growth through its high quality products, motivated and productive employees and its flexible organisation.
